PUBLIC NOTICE

DE-REGISTRATION AND PERMANENT REVOCATION OF CERTIFICATES OF REGISTRATION OF NON-COMPLIANT NON-GOVERNMENTAL ORGANISATIONS

The Ministry of Planning and Economic Development (MoPED) wishes to inform the general public, development partners, and international organisations that, following the suspension of thirty-one (31) Non-Governmental Organisations on 6th and 13th July 2026 respectively, the affected organisations were granted a thirty-day period to regularise their status with the Ministry. Of these 31 NGOs, fifteen (15) organisations failed to respond within the stipulated period and to comply with the requirements of the NGO Policy Framework. Accordingly, the fifteen (15) organisations listed in the Schedule below have been **DE-REGISTERED**, and their Certificates of Registration **PERMANENTLY REVOKED**. This action was taken in accordance with Section 15 (Enforcement/Compliance/Sanctions) of the NGO Policy Framework (2023–2028).

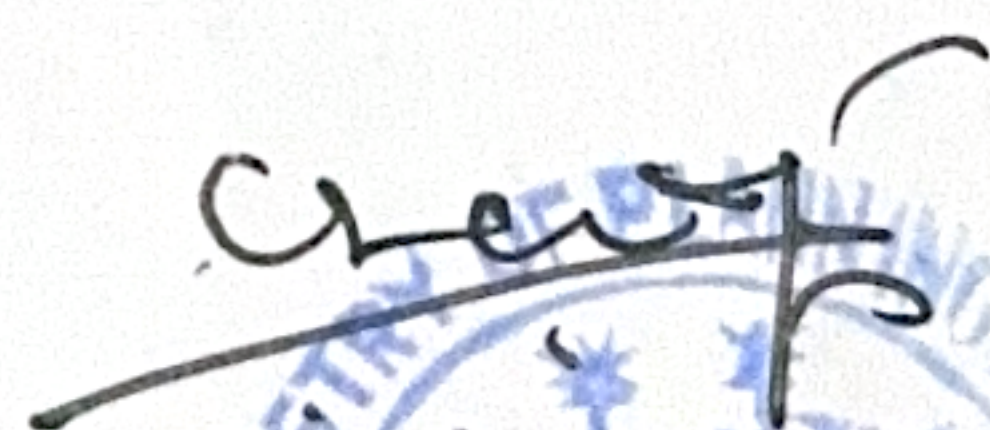

The public, development partners and all Non-Governmental Organisations are accordingly informed that the organisations listed below are **NO LONGER RECOGNISED** as registered Non-Governmental Organisations in Sierra Leone, and are required not to have any dealings with them.

The Ministry wishes the public to note that this regulatory action is not intended to limit the civic space, rather it is aimed at strengthening accountability, transparency, effective service delivery, and ensuring that organizations operating in Sierra Leone adhere to the legal and policy framework established by Government.
